CLASS PROPHECY

Well, well, here it is May, 1962; My how time flies. But little Miss Nosy News hasn't lost track of the wonderful class of '52. So we'll tell you what these guys and gals have been doing.

I hear that Dennis Schultz is the proprietor of a thriving restaurant, "Schultz's Inn." Walter Hilgart is the chef, a professional now. There are quite a few old married couples in our class, Berl Anderson, Gloria Holt, Pat Hughes, Jerry Leitzl, Doris Nutting, and Pat Pritzl are just a sample. Jack Olson has a beautiful night club with good entertainment such as those comic actors Lois Hickey and Bob Knishka. Are they a cream!! Miss (ahem) Geraldine Hunter is now a famous Metropolitan opera singer. A few of the notables in her singing troupe are Ronald Arndt, Dorothy Glaeser, Isabell Wallner and Connie Wells. I hear they're world famous. We developed quite a few teachers too, Jeanette Coleman is teaching little ones; Ben Schoenfeld is a college prof; Marion Falstad is a dancing teacher. Doria Haasl started a girls' school; we're wondering if the girls are all from her own family.

A lot of the kids inherited prosperous businesses. Shirley Feit now runs the biggest bowling allies in the 'rld. Lloyd Gundersgaard owns an ultra-modern shoe repair shop. Goldie Marth has a Quick Service Flower Shop. Oh yes, Ginger Neek has invented a new fast-drying cement; Dick Roberts has floating gas stations for all these atomic cars. Dorothy Silberhorn is making music yet at Silberhorns Music Shop. George Teeters is now one of the best bulldozing men in the country, and so little too. Naturally Mickey Vincent still is the big wheel at the Ford Motor Company. Mary Blodgett and Elsie Premeau are both very good nurses. Marge Carlson is the editor of a fashion magazine, "Fashions for the Future." Ronald Ernst is one of the most outstanding artists of the century. Lawrence Fenzl is a brilliant engineer. Roger Fleming is a U. S. Game Warden, lots of violators. Shirley Isham has a huge cleaning establishment in Terryhood, Indiana. Fritz Kilger is coaching a big college down south. John Phillips is the manager of the basketball team and Wayne Verona is the star, of course.

Barbara Miller and Harry Tyree have just opened a new outdoor theatre. Laurie Rich is now head telephone operator of the U. S. Ken Tyree is now the millionaire owner of a chain of drugstores throughout the country. Gerald Murnik has opened a mens clothing store with Don Preisler to model suits for him. Jean Molzner is a private secretary to Bob Marten, President of the United States. She can write 300 words a minute. Atomic age you know. Pinky Seifert and Janet Shaw have gone together and started a big year-round resort. They have any kind of recreation you can think of. It's called "Pi-Ja's" and they have two famous singers, Lynette Schultz and her sister. Delores Schrader keeps watch over it, she's a policewoman. Ken Standen has gone into the acting profession, very

good, I've heard. Barbara Or-gish is trying to change the Einstein Theory, quite a brain. Violet Reas has recently published a book, "How to Train Your Husband." A few of our beauties have reached the top too; Mary Ann Balzer is Miss America of 1962; Marilyn Kapitz was named Miss Poodle Haircut of the year. Nancy Nessman has a beauty salon, featuring famous Parisian hair styles. Just got news that Slim LeValley is now heavy-weight champion of the world. Rich Larson is still going strong with his hot-rod racing. Something else wonderful has happened; Betty Wagner's husband just received the Congressional Medal of Honor. How's that for a really up and coming class of people.

CLASS HISTORY

September of 1948 opened to us, the graduating class of 1952, a new phase of life. As all freshmen do, we walked in and gazed around for almost the whole first day. Need I say we were scared?? Mr. Olingy, Miss Erickson, and Miss Chapman guided us through with Gordy Greiner as class president, followed by Ken Tyree as vice president, and Alberta Seifert, as secretary and treasurer.

The next year we returned with a bit of superiority pushing us. The first day, instead of gazing, we walked through the halls of Lincoln High meeting our classmates after the summer months and merely reminiscing. This year we elected as class officers; president, Berl Anderson, vice president, Don Preisler, and secretary and treasurer, Lois Hickey. Our class advisors were Mr. Evans and Miss Salo.

Our junior year was, of course, the most eventful. To guide us through this most exciting year

we elected Dick Roberts as our president and Shirley Fiet as our vice president and Bob Knishka as secretary and Treasurer. Our class advisors, with many plans for the coming year, were Mr. Reams, Miss Umland and Miss Peterson.

Coming back to school again in the fall of 1951 to begin our last year at Park Falls High. We entered the school this year with much more superiority than the previous year. Mr. Evans and Mr. Biwer acted as class advisors.

Jeanette Coleman was elected as president, Wayne Verona as vice president and Jean Molzner as secretary and treasurer. Our Homecoming dance was helped made a success through the cooperation of Billy Davis and his orchestra and our king and queen, Mary Ann Balzer and Wayne Verona. Leaving now, we want to thank each

and everyone of the faculty and students for helping us through our most important phase of life.

SIXTEEN YARD PASS GAVE PARK FALLS 6-0 WIN

The Ashland Oredockers lost their first home game of the season last night when the Park Falls Cardinals topped the Dockers 6-0.

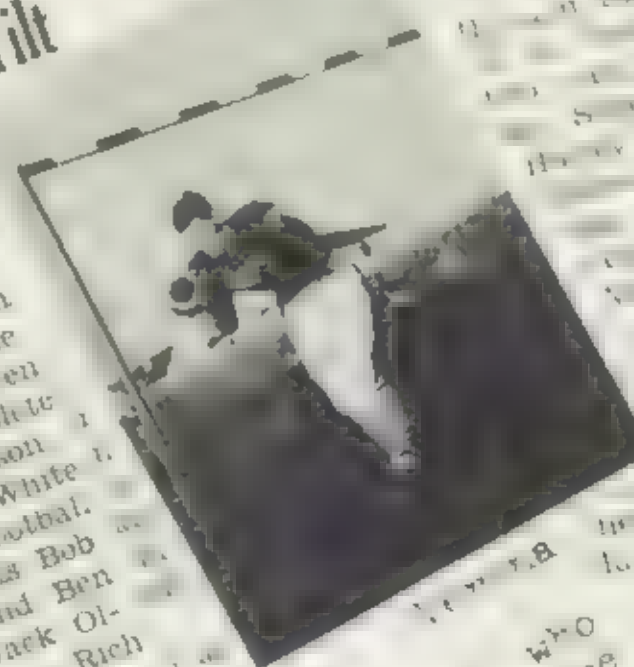

The Cardinals scored the only touchdown of the game early in the first quarter when Bob Olson, Park Falls quarterback, threw a 16-yard pass to Wayne Johnson, who caught it for the score.

The Cardinals also scored a field goal in the second quarter and a touchdown in the fourth quarter.

The game was played at the Ashland Oredockers stadium.

PARK FALLS RIPS ON NEKOOSA 18-6 FOR 18TH IN ROW AT TC

Park Falls continued its amazing winning streak when it battered Nekoosa 18-6 at Nekoosa last night. The victory was their 18th in a row and kept the Cards undefeated in the Lumberjack League.

Coach John MacDonald: really did itself proud at Nekoosa Friday. It was for the best defensive performance I have ever witnessed. I have never seen anything could get through the combination of Verona, Teeters, Bloomberg, and Mertens. The ends so mean for the Melbourners, I expected them to disgust. One did in fact.

Unbeaten Park Falls 21st Straight Victory

Park Falls Wisconsin - The Park Falls Cardinals scored their 21st straight football victory since last night when they turned back one of their toughest rivals Mosinee. Both teams had two wins and no losses in conference play before the game. Scoring touchdowns for the Cardinals were halfbacks Mike O'Donnell, Ben Schoenfeld and Bob Schmidt all on runs. Mosinee's lone touchdown was called by fullback John Dringler. Stepped under the Cardinal right halfback and twisted his way behind some of the best downfield blocking of the game, all the way to the goal, where he scored. The extra point, where he fouled up by the Medford line. Medford received the kick for.

Shooting Percentages Are Low:
Inability at Free Throw Line is
Costly to Cardinals.

A fourth period rally by the Lincoln high school Cardinals, which three times narrowed Tomahawk's lead to three points, couldn't quite close the gap at Tomahawk Tuesday when the Cards dropped their third contest of the season 60 to 53.

A very tall Tomahawk team controlled the rebounds and displayed an unerring eye at the free throw line in dropping 18 out of 31, whereas the Cards could do no better than 9 out of 19. Also hurting the Cards attack, especially in the final period, was the loss of Preisler, Larson and Schoenfeld via the foul route.

Tomahawk took an early 8-point lead and led at the end of the first quarter 13 to 5. Deike Tomahawk's tall center netted three field goals and two charity tosses to lead his mates scoring. In the

PROM OF '51

The class of '52 centered their prom, which was May 18, around the theme, "New World in the Ocean." The gym was decorated as an underwater scene with "underwater castles" and other sea life. The decorations ranged to the very ceiling, and the green effect, being the color of the ocean, was very noticeable. The prom was a very successful one, and the class of '52 was very happy. It was rumored that a very beautiful prom was never put on at Lincoln High. We are willing to meet the challenge of any other class.
